JOB DESCRIPTION

OVERVIEW

The Leadership Team at West Glasgow New Church (WGNC) believe that young people matter, both within WGNC and within the wider communities where we serve God. In particular, we believe that it is vital that the good news of Jesus Christ is presented and explained to young people at this stage of life.

We also strongly believe that, in addition to the youth worker, it is the responsibility of every member of the church to teach young people about Jesus Christ. As such we are pleased to have consolidated the team of volunteers providing input to youth work over the last 24 months, although this is something we would hope to continue to grow.

We are challenged about our role as Christians in the wider world and the need to reach out to those people outside WGNC as this is a key part of our own discipleship, ie to share our faith with others about who Jesus is and why He matters to them, both in word as well as in acts of practical service.

The overall aim of the Youth Worker's post is to co-ordinate and develop our existing WGNC youth activity but, additionally, to focus on providing encouragement and support to our young people in reaching out to the communities within which they belong (age range 12-20).
